

MAKE THE OFFICE COMFORTABLE

HOWARD MILLER® MOMENT IN TIME™ ANTIQUÉ HOWARD MILLER II WALL CLOCK

This simple, classic design comes from photographs of some of the earliest sketches of the master clockmaker, Howard Miller. The clock features an antiqued dial that is carefully mounted on a laser-cut 1/4" thick panel base, with antique black hands and a quartz movement. Stunning elegance makes this a wonderful addition to your home or office.

POTLUCKS TAKE ON A WHOLE NEW MEANING AT WORK NOSTALGIA ELECTRONICS™ 3 STATION BUFFET SERVER

Here's a great addition to your next dinner party or family gathering, with three chafing dishes to keep food warm for hours, and glass lids with cool-touch handles and steam escape ports. Each stainless steel chafing dish fits inside the three-section insert, and can be removed so you can use the warming tray alone. Also features independent heating controls for each section, to keep your foods at just the right temperature.
