

LODGE TOWER

Lodge Tower, Vail

Vail is situated in a valley with Vail Mountain's ski runs curving down one side in white ribbons through the pines and aspens. In summer, the runs become lush with grass and wildflowers, and trails meander through them.

Lodge Tower rests at the base of these slopes. With \$6.5 million in upgrades recently completed, you will find a new lobby, breakfast lounge, façade and entry, slope-view pool and hot tubs, fitness center, and spa.
