

# Protect Your Points Here

It's very important that you take a moment now to protect your points. Your points are valuable and, unfortunately, can be stolen from you. We depend on you to let us know who is authorized to spend your points. To keep unauthorized persons from redeeming your points, please fill out the form below and send to:

**TheWinnersCircle@BlevinsInc.com • 421 Hart Lane • Nashville, TN 37216 • Fax 615-228-1301**

Should anyone other than those listed below attempt to redeem your points, the Winners Circle office will require written permission from the authorized person(s) before the order may be processed. Even in the case of spouses and children, orders MUST be in the name of the authorized individuals. You may authorize as many people as you like.
