Welcome to the **Lyons Tubs mini-catalog**—available exclusively through **Blevins**. Inside, you'll find a streamlined guide to every Lyons bathing solution we stock, purpose-built for **manufactured** and **modular homes**. Expect a quick walk-through of the full fiberglass line, from space-saving **Classic 54" x 27" tubs** to statement pieces like the **Sea Wave 54" x 54" corner bath**. Each product is shown in both **white** and **biscuit finishes**, with high-resolution room photography so you can visualize real-world installations.

Lyons bathtubs and bases have a minimum of **six ABS injection molded feet**. These feet are engineered to **support the product for shipping and installation** while allowing piping to run between the feet. The apron is reinforced with wood and fiberglass horizontally and vertically where it contacts the floor and carton.

Lyons products are **shipped with a protective blue film** to **maintain finish** during installation. Instructions and warranty information are included.

Lyons **drains** are formed and reinforced with black ABS plastic ring. ABS is very durable and corrosion resistant and **ensures a consistent thickness and sealing surface** so drains don't leak or crack.

Lyons Acrylic/ABS and robotically sprayed fiberglass provides **high impact strength, stiffness and dimensional stability**. It's **GUARANTEED not to crack, chip or fade**.

Over the next pages you'll see:

- **Instant-scan spec blocks** showing item IDs, exact dimensions, drain orientations, and seat or bench options laid out for effortless quoting.
- **Side-by-side comparisons** of tubs, shower pans, and surrounds, letting you match components by size or aesthetic in seconds.
- **Installation inspiration** with stylized bathroom shots to help designers and field teams create cohesive bath packages.
- **Compatibility cues** with descriptions that call out left, right, and center drains, acrylic versus fiberglass surrounds, and ADA-friendly seated pans so you can specify with confidence.

All Lyons products shown are available in the following colors
