

Blevins

Blevins is the Industry's Leading Distributor of High-Quality Heating and Cooling Equipment Made Specifically for Manufactured Housing.

EFFICIENCY

SmartComfort® air conditioners and heat pumps offer a range of impressive SEER (seasonal energy efficiency ratio) ratings to help save energy and reduce utility bills.

SMART DESIGN

Microtube coil technology saves space and provides lasting comfort. The dense coil guard cuts routine maintenance time, making the unit easier to clean and service.

CORROSION-RESISTANT CONSTRUCTION

The durable galvanized steel cabinet stands up to the elements, and the wire grille optimizes airflow while protecting the coils.

Comfort Your Customers Can Count On

Act now for customer peace of mind with extended parts limited warranty protection on SmartComfort® by Carrier systems.*

Thanks to more than 100 years of delivering innovative, efficient and reliable heating and cooling products, we are confident that SmartComfort® by Carrier systems will provide years of comfort for Clayton® home customers. For even greater customer confidence and peace of mind, SmartComfort by Carrier systems must be registered by you or the home buyer at productregistration.icpusa.com for extended parts limited warranty coverage.*

Details, Details

- Products must be registered within 90 days from the date of your customer's new home's purchase except where prohibited by jurisdiction.*
- **The 10-year parts limited warranty*** is to the original purchasing owner. Subsequent owners receive five-year parts limited warranty coverage from the date the original purchasing owner purchased the home.
- To give your customers additional comfort, the SmartComfort by Carrier outdoor products include a two-year **No Hassle Replacement™** limited warranty that runs concurrent to the 10-year parts limited warranty. Subject to additional terms and exclusions, ask your contractor for details.

* On products requiring registration. Jurisdictions where warranty benefits cannot be conditioned on registration will automatically receive the 10-year parts limited warranty.

Warranty Components Include:

System Component	Base Warranty	Registered Warranty	Carrier Assurance Program (CAP)
